Honorable James H. Welsh
Commissioner of Conservation
Office of Conservation
Post Office Box 94275
Baton Rouge, LA 70804-4275

Re: Bol Perca Sand, Reservoir A
Lake Arthur Field
Jefferson Davis Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **ZINKE & TRUMBO, INC.**, for the calling of a public hearing, after ten (10) days legal notice, to consider evidence relative to the issuance of an Order pertaining to the following matters relating to the Bol Perca Sand, Reservoir A, in the Lake Arthur Field, Jefferson Davis Parish, Louisiana, for which rules and regulations were established and a single drilling and production unit was created for the exploration for and production of gas and condensate by Office of Conservation Order No. 2-FFF, effective January 7, 2004, said unit designated BOL P RA SUA:

1. To permit the applicant to drill, designate and utilize the Zinke & Trumbo, Inc. – Bertrand No. 2 Well as alternate unit well for the BOL P RA SUA, in the Lake Arthur Field, Jefferson Davis Parish, Louisiana, said well to be at the location shown on the plat attached hereto and made a part hereof.
2. To find that this well is necessary to efficiently and economically drain a portion of the reservoir covered by the unit which cannot be so drained by any existing well within such unit.

3. To permit the operator to produce the unit allowable from the existing unit well, the proposed alternate unit well, or both, in any combination, at the discretion of the operator.

4. Except to the extent herein set forth, to continue in full force and effect the provisions of Office of Conservation Order No. 2-FFF and the unit created thereby.

5. To consider such other matters as may be pertinent.

The Bol Perca Sand, Reservoir A, in Lake Arthur Field, Jefferson Davis Parish, Louisiana, was previously defined in Office of Conservation Order No. 2-FFF, effective January 7, 2004.

The proposed alternate unit well will permit efficient and economic recovery of hydrocarbons underlying the unit and is needed to satisfy the market demand for gas and condensate from the field.

Attached hereto and made a part hereof is a plat outlining the applicant's proposal along with a list of the names and addresses of the Interested Owners, Represented Parties and Interested Parties to whom a copy of this application is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Interested Parties and Represented Parties.

Finally, enclosed herewith is our check on behalf of the applicant in the amount of \$755.00 made payable to the Office of Conservation representing the required hearing application fee.

Very truly yours,

Richard W. Revels, Jr.
